positions are up for nominations. We are looking for nominations for the board at the annual meeting and positions will be voted on at the October board meeting. Anyone interested in helping out can contact:

Eric Schwoerer or email:  
[whna\\_gb@yahoo.com](mailto:whna_gb@yahoo.com)  
Please RSVP by Aug. 30th.

Special Thanks to **Alice Epstein** for planting around the sign this year and **Steve Barnette** for cutting the grass around it!

## BE SAFE THIS INDEPENDENCE DAY

### SAFETY TIPS TO REMEMBER

- Never allow young children to play with or ignite fireworks.
- Avoid buying fireworks that are packaged in brown paper because this is often a sign that the fireworks were made for professional displays and that they could pose a danger to consumers.
- Always have an adult supervise fireworks activities. Parents don't realize that young children suffer injuries from sparklers. Sparklers burn at temperatures of about 2,000 degrees - hot enough to melt some metals.
- Never place any part of your body directly over a fireworks device when lighting the fuse. Back up to a safe distance immediately after lighting fireworks.
- Never try to re-light or pick up fireworks that have not ignited fully.
- Never point or throw fireworks at another person.
- Keep a bucket of water or a garden hose handy in case of fire or other mishap.
- Never shoot them off in metal or glass containers.
- After fireworks complete their burning, douse the spent device with plenty of water from a bucket or hose before discarding it to prevent a trash fire.
- Make sure fireworks are legal in your area before buying or using them.
